A LETTER FROM THE PRESIDENT AND CHIEF EXECUTIVE OFFICER

At Children's Hospital Los Angeles, one of our core values is that we achieve our best together. Only through a combination of world-class specialty care, innovative research, robust medical training and collaboration with community health partners can we continue to create hope and build healthier futures for children and families throughout Southern California and beyond. This second edition of our popular Provider Relations Reference Guide includes updates to our physician directory, clinic locations and CHLA's 350 specialty programs and services.

It is my sincere hope that this guide will continue to be a valuable resource for our referring providers and other CHLA community partners, and that together we can provide the best continuum of compassionate, expert care for the lives entrusted to us.

Paul S. Viviano
President and Chief Executive Officer

Mission

We create hope and build healthier futures.

As a leading pediatric academic medical center, we fulfill our mission by:

- Caring for children, adolescents, young adults, families and each other
- Advancing knowledge
- Preparing future generations
- Building our financial strength

Values

- We achieve our best together.
- We are hopeful and compassionate.
- We are learners leading transformation.
- We are stewards of the lives and resources entrusted to us.
- We serve with great care.

Assistant Professor of Clinical Neurology, Keck School of Medicine of USC

Specialties: child neurology, movement disorders

Wendy Mitchell, MD

Attending Physician, Division of Neurology, Children's Hospital Los Angeles

Professor of Clinical Neurology, Keck School of Medicine of USC

Specialty: child neurology

Andrew Ng, MD

Attending Physician, Division of Neurology, Children's Hospital Los Angeles

Assistant Professor of Neurology, Keck School of Medicine of USC

Specialty: child neurology

**Nancy Niparko, MD**

Attending Physician, Division of Neurology, Children's Hospital Los Angeles

Specialty: child neurology

Arthur Partikian, MD

Physician Consultant, Division of Neurology, Children's Hospital Los Angeles

Assistant Professor of Clinical Neurology, Keck School of Medicine of USC

Director, Division of Child Neurology, LAC + USC Medical Center,

LA County Department of Health Services

Specialty: child neurology

Leigh Ramos-Platt, MD

Director, Muscular Dystrophy Association Neuromuscular Clinic;

Attending Physician, Division of Neurology, Children's Hospital Los Angeles

Associate Professor of Clinical Neurology, Keck School of Medicine of USC

Specialties: child neurology, neuromuscular disorders

Kiarash Sadrieh, MD

Director, Child Neurology Training Program; Attending Physician,

Division of Neurology, Children's Hospital Los Angeles

Associate Professor of Clinical Neurology and Pediatrics,

Keck School of Medicine of USC

Specialty: child neurology

Terence Sanger, MD, PhD

Director, Pediatric Movement Disorders Program; Attending Physician,

Division of Neurology, Children's Hospital Los Angeles

David L. Lee and Simon Ramo Chair in Health Science and Technology;

Associate Professor of Child Neurology, Keck School of Medicine of USC

Specialties: child neurology, movement disorders

- Brain and spinal cord tumors
- Chiari malformation and spinal cord syrinx
- Craniosynostosis and craniofacial reconstruction
- Diaphragmatic pacing
- Head and spinal cord trauma
- Hydrocephalus in utero
- Medically intractable epilepsy
- Neural tube defects
- Neurocutaneous syndromes
- Neuroendoscopy
- Neurosurgical conditions
- Spasticity surgery
- Vascular malformations
- Vertebral column anomalies

Providers

Susan Durham, MD, MS

Chief, Division of Neurosurgery; Attending Surgeon,

Children's Hospital Los Angeles

Professor of Clinical Neurological Surgery, Keck School of Medicine of USC

Specialties: pediatric neurosurgery, peripheral nerve surgery, spina bifida, pediatric brain tumors, hydrocephalus, tethered spinal cord, Chiari 1 malformations

(continued on next page)

Neurosurgery

Providers (continued)

Peter Chiarelli, MD, DPhil

Attending Surgeon, Division of Neurosurgery, Children's Hospital Los Angeles
Assistant Professor of Clinical Neurological Surgery,
Keck School of Medicine of USC

Specialties: pediatric neurosurgery, pediatric brain tumors, pediatric spinal tumors, Chiari malformations, congenital disorders of the brain, neural tube defects (spina bifida), hydrocephalus, arachnoid cysts

Jason Chu, MD, MSc

Attending Surgeon, Division of Neurosurgery, Children's Hospital Los Angeles
Assistant Professor of Clinical Neurological Surgery,
Keck School of Medicine of USC

Specialties: pediatric neurosurgery, epilepsy surgery, cerebrovascular disorders, pediatric head trauma, endoscopic neurosurgery, hydrocephalus, brain and spine tumors, congenital abnormalities

Gordon McComb, MD

Chief Emeritus, Division of Neurosurgery, Children's Hospital Los Angeles
Professor of Neurological Surgery, Keck School of Medicine of USC

Specialties: pediatric neurosurgery, hydrocephalus, neural tube defects, brain and spinal cord tumors, craniosynostosis, craniofacial anomalies, Chiari malformations, arachnoid cysts, brain and spinal cord trauma, vascular malformations

Mark Krieger, MD

Senior Vice President and Surgeon-in-Chief; Billy and Audrey L. Wilder Chair
in Neurosurgery; Director, Neurological Institute; Attending Surgeon,
Division of Neurosurgery, Children's Hospital Los Angeles
Professor, Department of Neurological Surgery,
Keck School of Medicine of USC

Specialties: pediatric neurosurgery, brain and spinal tumors, Chiari malformations, intracranial cysts, hydrocephalus

Ophthalmology

Providers

Thomas C. Lee, MD

Chief and Attending Physician, Division of Ophthalmology; Director,
The Vision Center, Children's Hospital Los Angeles

Interim Chair, USC, Department of Ophthalmology; Associate Professor of
Clinical Ophthalmology, Keck School of Medicine of USC

Specialties: pediatric ophthalmology, vitreoretinal surgery, retinal disease

Jesse Berry, MD

Associate Director, Ocular Oncology; Attending Physician,
The Vision Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Ophthalmology, Keck School of Medicine of USC

Specialties: ocular oncology and pediatric ophthalmology

Mark Borchert, MD

Director, Eye Birth Defects Institute and Eye Technology Institute;

Attending Physician, The Vision Center, Children's Hospital Los Angeles
Associate Professor of Clinical Ophthalmology and Neurology,

Keck School of Medicine of USC

Specialties: neuro-ophthalmology, pediatric ophthalmology

Angela Buffenn, MD, MPH

Director, Orbit and Eye Movement Institute; Attending Physician,
The Vision Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Ophthalmology, Keck School of Medicine of USC

Specialty: pediatric ophthalmology

Melinda Chang, MD

Attending Physician, The Vision Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Ophthalmology, Keck School of Medicine of USC

Specialties: pediatric ophthalmology, neuro-ophthalmology, strabismus

**Jonathan Kim, MD**

Director, Retinoblastoma Program; Attending Physician, The Vision Center;

A. Linn Murphree Chair in Ocular Oncology, Children's Hospital Los Angeles
Associate Professor of Clinical Ophthalmology, Keck School of Medicine of USC

Specialties: neuro-ophthalmology, pediatric ophthalmology, ocular oncology

Arlanna Moshfeghi, MD, MPH

Attending Physician, The Vision Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Ophthalmology, Keck School of Medicine of USC

Specialty: pediatric ophthalmology

Aaron Nagiel, MD, PhD

Attending Physician, The Vision Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Ophthalmology, Keck School of Medicine of USC

Specialties: pediatric ophthalmology, vitreoretinal surgery, retinal disease

Sudha Nallasamy, MD

Director, Vision Development Institute, The Vision Center,

Children's Hospital Los Angeles

Assistant Professor of Clinical Ophthalmology, Keck School of Medicine of USC

Specialty: pediatric ophthalmology

Bibiana Reiser, MD, MS

Director, Cornea Institute, The Vision Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Ophthalmology, Keck School of Medicine of USC

Specialty: corneal and external diseases

Providers

Oussama "Sam" Abousamra, MD

Attending Surgeon, Division of Orthopaedic Surgery,

Children's Orthopaedic Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Orthopaedic Surgery,

Keck School of Medicine of USC

Specialties: neuromuscular disorders, limb deformity reconstruction

**Daniel Allison, MD**

Attending Surgeon, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles
Associate Professor of Clinical Orthopaedic Surgery,
Keck School of Medicine of USC

Specialty: skeletal tumors

Lindsay Andras, MD

Attending Surgeon, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles
Assistant Professor of Clinical Orthopaedic Surgery,
Keck School of Medicine of USC

Specialties: scoliosis, kyphosis, muscular dystrophy, cervical spine, trauma

Melissa Bent, MD

Attending Physician, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles
Assistant Professor of Clinical Orthopaedics, Keck School of Medicine of USC

Specialties: non-operative neuromuscular, clubfoot and scoliosis care;
developmental dysplasia of the hip; rotational deformities; benign bone lesions

Alexander Christ, MD

Attending Surgeon, Children's Orthopaedic Center,
Children's Hospital Los Angeles
Assistant Professor of Clinical Orthopaedic Surgery,
Keck School of Medicine of USC

Specialties: orthopaedic oncology

Bianca Edison, MD, MS

Attending Physician, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles
Assistant Clinical Professor of Orthopaedics, Keck School of Medicine of USC

Specialties: sports medicine, sports concussion

(continued on next page)

Orthopaedic Surgery

Providers (continued)

Rachel Goldstein, MD, MPH

Director, Hip Preservation Program; Attending Surgeon,
Division of Orthopaedic Surgery, Children's Orthopaedic Center,
Children's Hospital Los Angeles

Assistant Professor of Clinical Orthopaedic Surgery,
Keck School of Medicine of USC

Specialties: hip preservation, clubfoot, trauma

Kenneth Illingworth, MD

Attending Surgeon, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Orthopaedic Surgery,
Keck School of Medicine of USC

Specialties: complex spinal deformities, skeletal trauma

Robert Kay, MD

Vice Chief, Children's Orthopaedic Center; Director, Neuromuscular
Program; Attending Surgeon, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles

Professor of Clinical Orthopaedic Surgery, Keck School of Medicine of USC

Specialties: neuromuscular diseases, cerebral palsy, foot disorders, hip
disorders, fractures

Ryan Kelln, DO

Attending Physician, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles

Assistant Professor of Clinical Orthopaedics, Keck School of Medicine of USC

Specialties: sports-related concussion, sports medicine, fracture care, trauma,
overuse injuries and injury prevention

Nina Lightdale-Miric, MD

Director, Pediatric Hand and Upper Extremity Surgery Program;
Founder and Director, Center for Achievement of Teens and Children with
Hand Differences (CATCH); Attending Surgeon, Division of Orthopaedic
Surgery, Children's Orthopaedic Center, Children's Hospital Los Angeles
Associate Professor of Clinical Orthopaedic Surgery,
Keck School of Medicine of USC

Specialties: congenital hand reconstruction, upper extremity trauma,
microsurgery, birth brachial plexus palsy, cerebral palsy treatment of the
upper extremity

Erin Meisel, MD

Attending Surgeon, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles
Assistant Professor of Clinical Orthopaedic Surgery,
Keck School of Medicine of USC

Specialties: congenital hand reconstruction, upper extremity trauma,
microsurgery, birth brachial plexus palsy, cerebral palsy treatment of the
upper extremity, peripheral nerve injuries, trauma

Milan Stevanovic, MD

Attending Surgeon, Division of Orthopaedic Surgery,
Children's Orthopaedic Center, Children's Hospital Los Angeles
Professor of Clinical Orthopaedic Surgery, Keck School of Medicine of USC

Specialties: peripheral nerve injuries, trauma, burns, microvascular and
rheumatoid problems affecting the hand, wrist, elbow and shoulder

Vernon Tolo, MD

Chief Emeritus, Children's Orthopaedic Center; Attending Surgeon,
Division of Orthopaedic Surgery, Children's Orthopaedic Center,
Children's Hospital Los Angeles

Professor of Clinical Orthopaedic Surgery, Keck School of Medicine of USC
Specialties: spinal deformity, skeletal dysplasia, cerebral palsy, hip disorders

(continued on next page)

Plastic and Maxillofacial Surgery

Providers

Mark Urata, MD, DDS

Chief, Division of Plastic and Maxillofacial Surgery; Attending Surgeon, Children's Hospital Los Angeles

Professor of Clinical Surgery; Audrey Skirball Kenis Endowed Chair and Chief, Division of Plastic and Reconstructive Surgery, Keck School of Medicine of USC

Chair, Division of Oral and Maxillofacial Surgery, Ostrow School of Dentistry of USC

Specialties: complex craniofacial anomalies, craniosynostosis, syndromic reconstruction and jaw deformities (including Apert, Crouzon and Treacher-Collins syndrome)

Jeffrey Hammoudeh, MD, DDS

Director, Jaw Deformities Center; Attending Surgeon, Division of Plastic and Maxillofacial Surgery, Children's Hospital Los Angeles

Assistant Professor of Clinical Surgery, Keck School of Medicine of USC

Specialties: craniofacial surgery, orthognathic surgery, craniofacial tumor resection, early and neonatal cleft lip repair

Jessica Lee, MD

Director, Gender Affirmation Surgery Program; Co-Director, Vascular Anomalies Center; Attending Surgeon, Division of Plastic and Maxillofacial Surgery, Children's Hospital Los Angeles

Assistant Professor of Clinical Surgery, Keck School of Medicine of USC

Specialties: pediatric plastic surgery, pediatric microsurgery and complex reconstruction cleft and craniofacial surgery; gender affirmation surgery; vascular anomalies.

**William Magee, MD, DDS**

Director, International Programs; Attending Surgeon,

Division of Plastic and Maxillofacial Surgery, Children's Hospital Los Angeles
Assistant Professor of Clinical Surgery, Keck School of Medicine of USC

Specialties: cleft lip and palate, craniofacial reconstruction, facial reconstruction, hemangiomas, jaw reconstruction, ear reconstruction, secondary burn deformities

Mitchel Seruya, MD

Attending Surgeon, Division of Plastic and Maxillofacial Surgery,
Children's Hospital Los Angeles

Assistant Professor of Clinical Surgery, Keck School of Medicine of USC

Specialties: brachial plexus palsy; cerebral palsy; facial palsy; facial paralysis; congenital hand and wrist deformities; traumatic hand and wrist deformities; microsurgery

Psychiatry

The Division of Psychiatry provides care to patients who are medically admitted at Children's Hospital Los Angeles. In addition, our team offers services to inpatients and children seen in the Boone Fetter Clinic, and patients of The USC University Center for Excellence in Developmental Disabilities (UCEDD).

The team also collaborates with the Division of Pain Medicine to provide care for children with acute pain and chronic pain. Our Division brings together a team of psychiatric attendings, nurse practitioners, psychologists and social workers to meet the special needs of each child.

Please note: The Division of Psychiatry does not have an inpatient psychiatric unit.

Address: 4650 Sunset Blvd., #167,
Los Angeles, CA 90027

Programs and Services

- Advanced fetal care
- Bladder exstrophy/genitourinary (GU) reconstruction
- Comprehensive Stone Program
- Congenital adrenal hyperplasia
- Disorders of sex development
- GU tumor/oncology
- Health systems innovation and clinical outcomes
- Robotic surgery
- Spina bifida
- Voiding improvement

Providers**Roger De Filippo, MD, FACS, FAAP**

Chief, Division of Urology; Co-Director, GOFARR Laboratory for Organ Regenerative Research and Cell Therapeutics in Urology; Co-Surgical Director, CAH Comprehensive Care Clinic; Attending Physician, Children's Hospital Los Angeles

Associate Professor of Urology, Keck School of Medicine of USC

Specialties: fetal urology, complex genitourinary reconstruction (bladder exstrophy, ambiguous genitalia and congenital adrenal hyperplasia), clinical trials for tissue-engineered transplantation of neo-organs, robotic surgery

(continued on next page)

Urology

Providers (continued)

Andy Chang, MD, FACS, FAAP

Vice Chief, Division of Urology; Director, Genitourinary Oncology Program;
Attending Physician, Children's Hospital Los Angeles

Assistant Professor of Clinical Urology, Keck School of Medicine of USC

Specialties: bladder hypertrophy/pathophysiology, cryptorchidism, hypospadias, ureteropelvic junction obstructions, robotic/laparoscopic pediatric urologic surgery, vesicoureteral reflux, disorders of sex development including congenital adrenal hyperplasia

Joan Ko, MD

Attending Physician, Division of Urology, Children's Hospital Los Angeles

Assistant Professor of Urology, Keck School of Medicine of USC

Specialty: complex urinary tract reconstruction

Paul Kokorowski, MD, MPH

Director, Robotic Surgery Program; Co-Surgical Director, CAH Comprehensive Care Clinic; Attending Physician, Children's Hospital Los Angeles

Assistant Professor of Clinical Urology, Keck School of Medicine of USC

Specialties: hypospadias, disorders of sexual development including congenital adrenal hyperplasia, complex genitourinary reconstructive surgery, robotic/minimally invasive surgery, undescended testes, congenital obstruction/obstructive uropathy

Scott Sparks, MD

Surgical Director, Comprehensive Stone Program; Attending Physician, Children's Hospital Los Angeles

Assistant Professor of Clinical Urology, Keck School of Medicine of USC

Specialties: renal calculi, hypospadias, fetal urology, undescended testes, vesicoureteral reflux and urinary tract infections, urinary obstruction

**Evalynn Vasquez, MD, MBA**

Director, Complex Reconstruction and Malformations Program;

Attending Physician, Children's Hospital Los Angeles

Assistant Professor of Clinical Urology, Keck School of Medicine of USC

Specialties: complex genitourinary reconstruction, bladder exstrophy, epispadias, hypospadias, vesicoureteral reflux, hydronephrosis, undescended testes, hernias/hydroceles

Education and Research

Pediatric Residency Program

As a regional referral center for children, CHLA is the perfect place to gain expertise in pediatric care. With outstanding Board exam pass rates, our Pediatric Residency Program helps residents meet their career goals and respects their personal lives and time. Our residents come from across the United States.

Phone: 323-361-2122
Email: prp@chla.usc.edu
Website: CHLA.org/residency

Medical Internships

CHLA provides a wealth of training and volunteer opportunities for individuals committed to helping children.

For more information, visit CHLA.org/internships

Fellowships

Fellowship training at CHLA offers an exciting range of opportunities, including research opportunities, for an advanced pediatric education. We nurture and promote the career aspirations of our fellows through a wide array of subspecialty programs, scholarship skills training, state-of-the-art clinical facilities and unsurpassed exposure to a large, diverse patient population.

For more information, visit CHLA.org/fellowships

Continuing Medical Education

Visit CHLA.org/CME for a list of upcoming CME events.

Education and Research

RN Residency in Pediatrics

CHLA is the founding hospital of the Versant™ RN Residency in Pediatrics. The 22-week program provides new nursing school graduates with a comprehensive clinical and learning experience to prepare them for work in an acute care environment. It has become a national model for new graduate nurse residency programs throughout the United States.

Phone: 323-361-2193

Website: [CHLA.org/RNResidency](https://chla.org/RNResidency)

Research Training and Education

The Saban Research Institute of Children's Hospital Los Angeles trains some of the best pediatric scientists in the world. It aims to recruit the most talented and dedicated research trainees from diverse backgrounds, providing them with the optimal resources, support and setting to investigate new breakthroughs and build successful and fulfilling independent research careers. The goal of Training, Education, Career Planning and Development (TECPAD) at the Institute is to provide a comprehensive, immersive experience for research trainees across career stages and at different academic levels.
